

Your Pony Party Plan

Upon arrival at Darkes Forest Riding Ranch the Birthday girl/boy will be greeted by his/her party host who will be in charge of making sure the celebration is unforgettable.

Before the party commences it is important, we have all necessary paper work in order and each child is fitted with a safety helmet, your party host will take you over to the office to complete.

The host will then introduce herself to the group and outline the order of events before gathering the ponies and heading off to the assigned pony ride area.

A safety demonstration will now take place to ensure all riders are confident, comfortable and ready to get the most out of the pony ride experience. Please ensure all guests are wearing enclosed shoes.

Each child will take turns of riding the ponies under the care of the party host and pony leaders. The time each child spends on the pony is determined by the number of guests in the group and will be worked out by the party host. If time permits each child will have the opportunity to have two pony rides each. 😊 😊

Once the entire group have finished their pony rides the host will secure the ponies and commence grooming and basic horsemanship hints and tips. The children will have the opportunity to pat the pony and tell it a secret.

A party game will now be played. The amount of time spent on games is time permitting and at the discretion of the party host.

With the direction of the instructors the group will then head back down to the reception area for lunch. We do provide lunch in the form of hot party style food along with fairy bread etc. Food may vary slightly from party to party at our discretion. Please be sure to note any dietary requirements on your booking sheet. Once everyone has eaten, we will commence birthday formalities of singing happy birthday and cutting the cake. This is a great time for photo opportunities.

After Cake we will conclude your Party by presenting the birthday girl/boy with a special gift from us and thanking the group for spending the day with us at Darkes Forest Riding Ranch.
